

Spotlight On Tamar Campbell

1. What's your role at Peabody?

I work as part of the Front of house team at Charlton Triangle Homes. I am one of the first points of contact for residents of Charlton Triangle Homes. Chances are, if you call us or visit our office you will have me assisting you.

2. What brought you to Peabody?

Becoming a mother made me want more balance in life and in work. I wanted to work closer to home and within an industry where people and the community were more in the forefront. Where I could make an impact and give back where I could. Having grown up in Charlton the role definitely stood out to me.

3. What are you working on at the moment?

Right now along with learning all the ropes, I am working alongside a great team and implementing new fresh ways of working to help our tenants and residents as much as possible.

4. What's one of your favourite things about this place?

The people!

5. Which of the Charlton/Peabody values means the most to you, and why?

Pulling together! Collaborating, and bouncing ideas off each other is no.1 for me. I feel it's very important to work towards a common goal and to collaborate. This way we can always progress and learn while we progress.

6. What makes you smile?

I am an easily pleased person, a nice sunny day is all it takes for a big grin!

7. Tell us about your home.

I live with my two kiddies, we have a cat and three hamsters.

8. Tell us something about you that we might be surprised by.

I am fluent in gibberish. A language used in England from the 16th century. Yes it really exists. It's a silly but handy skill.
