User reviews:

- “I want to increase the number of hours my child attends because the progress he is making is clearly visible”.
- “I never have to worry about my child, the staff here are fantastic!”
- “It has been great working with you and your team. Such lovely ladies who work so hard with the kids and I’ve always been made to feel so welcome. Believe me, not every school/nursery/home is like that so you should be really proud of yourself and your team. It has been a pleasure”.

Garden Waste Collection

In our last newsletter we were pleased to inform you that we have introduced a garden waste collection service.

Garden waste that can be collected as part of this service is:

- grass, hedge and shrub cuttings
- leaves and weeds
- plants and flowers
- straw, hay and sawdust
- tree bark and small branches (less than 50mm or two inches in diameter)
- vegetarian pet waste (for example, from rabbits, guinea pigs and hamsters)

To make use of the bins, please inform Wettons that you will be leaving out garden waste for collection. Collection happens every Tuesday, so please ensure any garden waste is ready to be collected by Wettons on Monday.

Summer Programme

The annual Charlton Triangle Homes Summer Programme has come to an end. After 6 weeks filled with varied activities and ending with a day trip to Thorpe Park, this year's programme was as popular as ever.

We saw the introduction of tennis and circus skills to the programme, which proved extremely popular with those involved. We were also proud to offer another LIFE course in partnership with the London Fire Brigade, which saw 12 local young residents complete a week of intensive training learning both firefighter and life skills at Lee Green Fire station.

The summer programme was a great success and we are constantly looking for ways to expand it. So remember to look out for next year's pre programme questionnaire and share any activity or ideas you may have with us at Charlton Triangle Homes.

Don't forget to check out our gallery page on the website for this year's photographs.
